
HESPERIOS KNIT LIBRARY

THE BISTI BLANKET, 2026

HESPERIOS KNIT LIBRARY IS AN EVOLVING
COLLECTION OF HEIRLOOM KNITS. OVER
ONE HUNDRED ORIGINAL PATTERNS
CRAFTED FROM FINE NATURAL FIBERS,
PRODUCED IN PERU AND THE USA.

A woman with dark hair is standing in a dense, sun-dappled forest. She is wearing a long, light-colored, long-sleeved dress with a pleated hem and is looking upwards and to the right. Her right hand is on her hip. The forest is filled with various trees and plants, including a large tree with a thick trunk and a thatched roof-like structure on the left. The overall atmosphere is serene and natural.

HESPERIOS KNIT LIBRARY

Hesperios Knit Library is an evolving collection of tailored, heirloom essentials—over one hundred original patterns in 100% baby alpaca and natural fibers developed with master artisans and rendered in our signature palette. Produced in Lima and New York.

We make enduring pieces—classic, playful, and modern silhouettes for all bodies and ages—in baby alpaca, silk, cashmere, and pima cotton. Our philosophy honors textile tradition and collaboration; we work outside seasonal churn, at a deliberate rhythm, partnering only with farms and factories that share our values: respect for nature, animal welfare, and integrity at every stage.

Caring for Your Knitwear

To protect and extend the life of your Hesperios knitwear, store it folded in a cedar chest or breathable shirt box. Avoid plastic or dry cleaning bags, which trap moisture and can cause felting. Never hang knitwear—folding preserves its shape. To guard against moths, we recommend traditional herbal repellents such as cedar chips or lavender bundles. Dry clean professionally only.

HESPERIOS

In Greek mythology, the life of each human is determined by a length of golden thread. Three sisters, the daughters of night, sit at their craft: Clotho spins the thread; Lachesis measures it; and Atropos, wielding shears, snips it.

—

The poet Susan Howe tells us that “the English word ‘text’ comes from Medieval Latin *textus* ‘style or texture of a work,’ literally ‘thing woven,’ from the past participle stem of *texere*: ‘to weave, to join, fit together, construct.’

HESPERIOS

About

Hesperios is a multidisciplinary design and wellness brand informed by physics, nature, and art. Founded in 2016 by naturalist and designer Autumn Hrubý, we create products, places, and experiences defined by warmth, comfort, intelligence, and well-being.

Our Knit Library and modular lighting system use timeless forms and elemental materials, bespoke and built for use, care, and repair. Experience, order, customize, and restore pieces at Hesperios House, our West Village workshop and showroom; find them through trusted retailers or directly at hesperios.com.

Through publishing, events, and film, we share work and stories that instruct and inspire, advancing our commitment to literature, design thinking, and the arts. We hold ourselves accountable for what we make and the systems we build: heirloom-grade knitwear produced in Lima and New York, and numbered, editioned lighting prototyped and assembled by hand in Manhattan.
